

## PILLOW MENU

### FIBER FOAM

Unique design of a foam core wrapped in polyester fiber. Durable foam provides firm support.

Firmness: ■■■

### PILLOW-PEDIC FOUR-WAY COMFORT

Combining narrow and wide firm edges, and a soft and medium center creates four distinctive styles in one.

Firmness: ■■

### WATER PILLOW

Allows for choice of water volume for soft, medium or firmer support levels.

Firmness: ■■■

### TRI-CORE GENTLE SUPPORT

Fiber-filled support pillow cradles your neck in the most natural position.

Firmness: ■■■■

### L PILLOW

Specially designed to conform to the shape of your body. It provides contoured comfort and support for the head, neck and back while lying or sitting up.

Firmness: ■■
